Škvorecký, Josef papers

Boxes 59-80, 87-104, 110-112 Correspondence

Dates of creation: 1934-2007

Extent: 5.5 meters of textual records (43 boxes)

Scope and content: Correspondence sent and received by Josef Škvorecký on literary and cultural subjects, especially Czech literature, film, and translation. Includes passive correspondence and some copies of active correspondence with authors, directors, family, friends, musicians, organizations, readers, and translators. Most folders contain letters or printouts of emails, and some folders also include photographs, newspaper clippings, event invitations, and portions of literary manuscripts. Correspondence is primarily in Czech with some letters in English.

Notes: Folder titles are based on primary correspondent, with some exceptions for groups of people (e.g., family, translators, etc.) and correspondence on a particular topic. Files are listed alphabetically with some discrepancies.
