

Dates: 1969-2003

Extent 18 boxes (3 metres)

This 2003 gift, given over a period that dates from 1993 to 2003, represents the first accession of Harris' papers to the Thomas Fisher Rare Book Library. It consists of manuscripts, correspondence and other materials related to Harris and her work.

Maureen Scott Harris was born in British Columbia, grew up in Winnipeg, and moved to Toronto in 1964. She earned her B.A. and B.L.S. at the University of Toronto. Ms Harris worked as a cataloguer at the university from 1969 to 1993 (from 1969 to 1971 at the Thomas Fisher Rare Book Library). From 1993, she has worked as a part-time bookseller and technical writer. Harris is an accomplished poet and is the recipient of many awards. Her work has appeared in several anthologies and literary publications. She has two books to her credit: *The Word Speaks* and *A Possible Landscape*. The natural world and what it means to be human are some of the concerns underpinning her poetry. Reaching for ecological consciousness, Ms Harris endeavors "to find or learn a new way of living on the earth and of writing about it."

The first part of the gift was given on August 27, 1999.
