Montreal Tramways Company photographs

Includes black and white photographs related to the early days of the Montreal Tramways Company/Compagnie des tramways de Montréal, 1904-1956. Included are photographs of Montreal Tramways Company personnel, a variety of tram cars, trolleys, buses, maintenance trucks, buses and cars, tram stations, rail construction, station construction and Montreal street scenes. Each folder contains one black and white photograph unless otherwise noted. Captions have been transcribed from verso of photographs. Some photographs appear to have been cropped, as captions are incomplete in some cases.

Acquired from David Mason in 2007
