Garnet (Eldon) Papers

Collection of editorial files of *Impulse*, 1975-1990.
91 boxes and items (25 metres)

The collection consists of the editorial files of *Impulse* magazine from 1974 to 1990. For each volume there are submissions to the journal, drafts with editorial corrections, and page proofs. Many volumes include additional editorial material, such as advertising, cover art, rejected submissions, and correspondence. The collection includes an office archive, which contains correspondence, financial information (with grant proposals), advertising and promotional material, and circulation and distribution records. There is a large number of original art boards and other oversize materials, such as posters. The editorial record of *I Shot Mussolini* by Eldon Garnet is also included.

Boxes 1-22

Editorial archives for *Impulse*.

Editorial archives contain submissions, corrected drafts, proofs, and correspondence for *Impulse*, vols. 4-15 (1975-1989). Some volumes include advertising copy, front matter (such as editorials, tables of contents, etc.), or material which was omitted in the final version.
